## **Social Emotional Learning Standards**

Goal 2: Use social-awareness and interpersonal skills to	Why this goal is important: Building and maintaining positive
establish and maintain positive relationships.	relationships with others are central to success in school and life
	and require the ability to recognize the thoughts, feelings, and
	perspectives of others, including those different from one's own.
	In addition, establishing positive peer, family, and work
	relationships requires skills in cooperating, communicating
	respectfully, and constructively resolving conflicts with others.
